THANK YOU FOR YOUR SUPPORT

The Annual Fund is vital to the operation of your Dental School. It is your support of the Annual Fund that may make the difference in the number of computers that are put in a classroom. It is your support of the Annual Fund that may make a difference in the number of instruments in a clinic. It is your support of the Annual Fund that may give an additional student the opportunity to attend a conference or seminar.

Our endowment funds are vitally important to the future growth and development of the School. As we launch our Building for the Future Campaign, we want you to know how much we appreciate your gifts, which will make our new Dental School building a reality in 2005.

For those of you listed on the following pages, we thank you for helping your School to excel. We also invite all of you to join your classmates and colleagues by adding your name to our list of supporters. Your gift does, indeed, make a difference! Thank you!

With best regards,

Richard R. Ranney, DDS, MS  
Dean

LEGACY CIRCLE

*The Legacy Circle honors alumni, faculty and friends of the Dental School who have contributed to the School either through a bequest, a gift of life insurance, or a gift that provides income for life to the donor and/or another beneficiary.*

*Through the foresight and generosity of these individuals, the School will continue to produce the best and brightest oral health professionals and provide excellent oral health care to the citizens of Maryland.*

Some things are NOT too good to be true!

A planned gift can:

- pay lifelong income;
- convert low yielding stock or real estate into a higher income stream;
- reduce or eliminate capital gains taxes;
- produce significant income tax deductions;
- lower or eliminate federal estate taxes.
- provide a generous gift to the Dental School

Why let your generosity go unrewarded?

Gifts of Appreciated Securities • Gifts of Real Estate • Gifts of Special Assets • Gifts that Pay Income for Life • Bequests

HAYDEN-HARRIS ASSOCIATES CHARTER MEMBERS

*Many years ago, the Dental School created the Hayden-Harris Associates Giving Club to recognize the generosity of alumni, faculty and friends making pledges of \$10,000 or more to any program within the School. All individuals making contributions at this level through fiscal year 1991 are considered Charter Members. Those individuals paying their pledge over a five-year period (\$2,000 or more each year) also qualified as President's Club members. The names of the Charter Members of this giving society are engraved on a bronze Hayden-Harris plaque in the Dental School's lobby.*

Students and faculty made telephone calls last Fall asking for support. Department chairs sent letters to you requesting your support. The Dental School faculty, staff, and most especially, the students rely on your commitment to the Annual Fund. Above, faculty and residents from the Prosthodontics Program make calls to their alumni (bottom to top) Barry Habib, resident; Flavio Rasetto '00, school assistant professor; Ngoc Chu '88, volunteer faculty; and Carl Driscoll, program director and assistant professor.

*The world's first dental school will become the world's newest upon completion of the University of Maryland's state-of-the-art dental school in 2005. Having achieved a proud 100 percent participation rate from the Dental School's Board of Visitors, faculty, and each of our DDS and Dental Hygiene student classes, the Building for the Future Campaign is presently in the leadership phase. Gifts and pledges to the Building for the Future Campaign made before June 30, 2001 are included in this Honor Roll of Donors. A complete listing of campaign donors will be published at the conclusion of the campaign. Pledges may be made over a five-year period, and a variety of naming opportunities are available! To make your mark on the new dental school, please contact the Office of Development and Alumni Relations.*
