

Fall 2009 Senior Elective Course

The elective course, DNTS 548, is graded pass/fail. Some of the classes are limited in size; enrollment is on a first-come first-served basis. You should not sign-up for a course if you have clinical blocks or externships that conflict with the lecture schedule.

You must complete all of the requirements of the elective to receive credit.

A total of 1.5 credits of elective courses are required.

*Registration is on a first-come first-serve basis
