Title IX Policy

Title IX of the Educational Amendments of 1972 is a landmark civil rights law that protects people from discrimination, based on sex, in educational programs and activities that receive federal funding. Conduct that is in violation of the Title IX regulation includes sexual harassment, sexual violence, and discrimination by gender orientation, and is described within the Title IX regulation.

Title IX allegations are not subject to the jurisdiction of the Dental School’s Judicial Board procedures.

Violations of the Title IX legislation must be immediately and directly reported to the campus Title IX Compliance Team.
