	1	ABRU*		408	Towson off-campus (Special Approval)		

Total Fall 2018 Credits=10

Spring 2019

CRN	*	Dept.	Section	Course #	Course Title	Course Director	Cr.
90826	2,3	DHYG	01	428	Practicum II	Sheryl Syme	1-4

Total Spring 2019 Credits=1-4*

	1	Elective Course – Approval of topic and credits by Degree Completion Program Director					
	2	<p>DHYG 328B is a mandatory course unless students are previously certified in local anesthesia and nitrous oxide sedation. Students take DHYG 328B (.5 - 2 credits) in Spring Year I and DHYG 428 (-2-4 credits) Spring Year 2. If students need only one of the certifications, then they will be registered for Special Section DHYG 328B and the appropriate corresponding credits in DHYG 428 Practicum II. Additionally, if students are admitted into the BS to accelerated MPH program, they will need to be enrolled in DHYG 424 1 cr in Spring Year1 to complete Clinical Research poster, resume and mock interview. They will also be registered for 1-3 cr of DHYG 428 in Year 2 Spring.</p> <p>DHYG 328B, Section 01: Dental Anesthesia and Sedation, 2 credits DHYG 328B, Section 02: Nitrous Oxide Sedation, 0.5 credits</p>					
	3	Approval of topic and credits by Degree Completion Program Director					
	4	Students admitted into accelerated BS to MPH program take PH 648 3 cr in Summer 2018 Year 1 in place of DHYG 427 and PH 623 2 cr in Spring Year 2 Spring 2019 in place of DHYG 425. Students are enrolled in DHYG 424 Special Topics 1 cr in Spring 2018 Year 1 to complete the Clinical Research Poster, resume, and mock interview required of all BS DH students.					

Note: 30 UM Institutional Total Credits needed for B.S. Degree Completion Program. Students must complete a minimum of 18 DHYG credits including required courses (DHYG 328B*, 412, 414, 416, 418, 425, 427, 428*); the remaining 12 credits are electives.
