WARRANTY: *It is highly recommended that you also have a next-day, onsite repair warranty coverage for the duration of your studies. Standard warranties generally cover mail-to depot repairs, which may take some time before the unit is returned to the user. If accidental damage warranty is available, it is also very highly recommended.*

MAINTENANCE OF YOUR LAPTOP: *You are responsible for your laptop. The Office of Information Technology will work to assist you although we may not be able to fix any issues you may have. Technical support only covers applications that are required as part of your dental educational program such as:*

- Configuration and connection to the campus Eduroam wireless network.
- Installation of the VPN for remote access.
- Consultation (advice on best practices, discuss computer problems, and possible remedies)
